LIFE IN HAWAII

GLENDALE CITIZEN TELLS OF CHARMS OF ISLAND DOMAIN

T. J. Fambrough of 453 Oak St., whose return from Honolulu was noted in yesterday's Evening News, can impart some interesting information regarding these island possessions of Uncle Sam. While Honolulu, on the Island of Oahu, is the only city of any size in the group, Hawaii Island gives the name to the cluster. Mr. Fambrough's work was almost entirely in Honolulu, looking after income tax collections. The wealth of this city surprised him. The officers of the big sugar and fruit companies are paid fabulous salaries and the stockholders draw dividends monthly in many cases. The Americans form the wealthy class, although there are some Japanese land lessees whose incomes are expressed in very comfortable figures. There are 106,000 Japanese in the Islands, says Mr. Fambrough, out of 260,000 total population. The Chinese have the next largest number of inhabitants, then the natives and lastly, the Americans, with, of course, quite a sprinkling of white foreigners. Mr. Fambrough found his work for the Revenue Service very pleasant, if strenuous at times, and he was so highly appreciated that the officer in charge of the branch he was working under urged him to take the supervisorship of the entire Island of Maui, for the Revenue Office, at a largely increased salary, but his face was set for Glendale and he declined. However, his services are engaged for next year in the position he just left, and he expects to have his wife accompany him when he goes back.

Mr. Fambrough says a number of the world's leading scientists have been studying Hawaiian volcanoes the past year, particularly Mauna Loa, which has been quiet now for some time. They declare that next year will witness the worst disturbance ever known in volcanic areas. Mauna Loa is expected to destroy half the island it is the central figure of and Kilauea, which is now in eruption, will greatly augment in destructiveness, they say. Mt. Lassen's recent activity is pointed out as the forerunner of volcanic activity on this coast, which they predict will result in horrors heretofore undreamed of. Gruesome picture, surely, but even scientists have been proven false prophets ere now.

"SOMEWHERE, SOMETIME"

Ernie Collins, who is in charge of the meat department at Chaffee's store, went to the big picnic last Wednesday accompanied by Mrs. Karol Taber of 423 Ivy. In the evening he abruptly informed Bob Freeman, manager, that he would not be back to work till Monday, as very important business called him away. Mr. Freeman took the announcement with great good nature for "he had his suspicions." These proved to be well founded for Ernie and Mrs. Taber were married yesterday, but just where and just when, deponent sayeth not. Congratulations, many and sincere, will greet the young couple on their return. The groom, who left his work and his loved one to give his country willing service, has won greater reward than the "Croix de Guerre." Mr. and Mrs. Collins will make their home in Glendale.

SCHOOL GOSSIP

The three sections of the Eighth Grade of Intermediate on Thursday presented gifts to their class teachers. Mr. Blanford received a handsome silver belt buckle, Miss Clara Midcalf a box of beautiful stationery, and Mrs. Rucker a pretty, hand-painted cream and sugar set.

Boy Scouts have undertaken to care for the roselle and pop corn plantations at the Cerritos School this summer.

Miss Pauley, of the Columbus Avenue School, expects to spend her vacation in the San Jacinto Mountains.

Private summer schools will be held in the Intermediate, Pacific Avenue, Colorado, and perhaps other schools this summer to give opportunity to backward students to make up subjects in which they are deficient or to get ahead on a grade.

TO WELCOME ACE "EDDIE"

It is probable that many Glendale admirers of Eddie Rickenbacher, both as auto racer and premier American ace, will go in tomorrow to witness his reception by Los Angeles friends. He expects to arrive at noon. Elaborate ceremonies will mark his coming. A fleet of airplanes from Rockwell Field has been ordered by the War Department to participate.

TRUSTEES' MEETING

PACIFIC ELECTRIC ASKED TO GIVE ATTENTION TO BRAND BRIDGE MATTER

The Board of Trustees of the City of Glendale met in regular session Thursday evening. All members were present.

Minutes of the last previous meeting were read and approved.

A communication was read from the Library Board submitting budget for the fiscal year. The same was referred to the Committee of the Whole.

An application was received from D. LeClair requesting a permit to establish an oil station at the southwest corner of Colorado street and Brand boulevard. On motion of Trustee Henry, the request was granted.

An application was read from H. J. McNaughton asking for a permit to sell fireworks. No action.

Communication was read from the auditor of Los Angeles county addressed to the city clerk, in reference to the account between the City of Glendale and the County of Los Angeles in regard to Verdugo Lighting District, accompanied by a statement showing that there is due the county from the City of Glendale, the sum of $30.70 for lighting bills in the district annexed to the City of Glendale on May 22, 1918. On motion of Trustee Shaw, referred to the city attorney.

Report of health officer for the month of May was presented and ordered to be filed.

Report of tax collector for week ending June 19, 1919, showing amount collected since last report $165.95; total to date $83,969.98.

Communication was read from E. E. Balling, traveling auditor for the Southern Pacific Ry. Co. requesting that the city verify the record of the railroad company's office in this city showing an outstanding bill of $779.97 against the City of Glendale as the cost of moving the Tropico tower. On motion, referred to city attorney.

Communication was read from Jonathan S. Dodge, supervisor, accompanied by copy of a letter which he had written to H. B. Titcomb, vice-president of the Pacific Electric Co., relative to the new bridge on Brand Blvd., requesting that he give the matter attention and decide just what attitude the company will take in regard to the same. In this connection the city manager reported that the final estimates of the cost of this improvement had been forwarded by the Pacific Electric Company to General Manager Shoup in San Francisco, who had requested further information before making a reply and passing upon the same. After this is done the papers will have to be forwarded to New York for approval.

City Manager presented report as

(Continued on Page 2)

BROWN-DUNCAN

Announcement is made of the marriage of Miss Katherine Lee Duncan and Sidney Walter Brown at the home of the bride's parents, Mr. and Mrs. Philip Walter Parker, 101 N. Central Ave., on Thursday morning, June 19th. The ceremony was at 10 o'clock and the Rev. C. R. Norton of Glendale was the officiating minister. Only near relatives and friends were present.

Mr. and Mrs. Brown are taking a short trip. Upon their return they will occupy their new house, 138 Sumner avenue, Eagle Rock, where they will be at home to their friends after July 15th.

LEADSWORTH-PATTERSON WEDDING

A quiet but pretty home wedding took place Thursday evening at the residence of Dr. and Mrs. John R. Leadsworth, 113 East Laurel street, when their daughter, Lolita Leadsworth, was united to Clinton Patterson, Elder Reaser of East Wilson avenue officiating. Soon after the ceremony the young people left for a honeymoon in Big Bear Valley. The groom has just completed a course at Pacific Union College and plans to take up commercial work.

RED CROSS EQUIPMENT ON SALE

There are still a few articles of equipment to be sold at the headquarters of the Glendale Red Cross Chapter on Brand boulevard, the stock including some excellent kitchen chairs, a kitchen table, a collection of scissors used in the surgical dressings department, a fine cupboard and miscellaneous articles, which will be disposed of at a reasonable figure. There is also some redwood railing, in sections, adapted to use for baby pens.

SCHEIDAMANN'S CABINET FALLS

IF EBERT STILL SUPPORTS SCHEIDEMANN, GERMANY IS WITHOUT A PRESIDENT

(Special Service to Glendale Evening News)

PARIS, June 20.—The American Peace Commission has been advised that the German Cabinet, headed by Scheidemann, has fallen, and that War Minister Noske will probably succeed Scheidemann.

An Exchange Telegraph dispatch saying that the cabinet's resignation was followed by a decision to accept the peace terms, is still unconfirmed. The situation at Weimar is complicated by a railway strike that is isolating the city. A dispatch received from a United Press representative at Weimar confirmed the cabinet's resignation. The same dispatch said that President Ebert, who announced the previous cabinet's resignation, said he would stand or fall with Scheidemann's cabinet. If Ebert has remained firm it means that Germany is now without a president until the national assembly can elect one.

A Berlin United Press dispatch stated that Bernstoff would probably become the new Foreign Minister and head the peace delegation.

All advices received this morning indicated that the fall of the Scheidemann cabinet would mark the acceptance of the peace treaty.

PUBLICATION OF PEACE TREATY

ACTING SECRETARY OF STATE POLK ADVISED THAT IT WILL BE MADE PUBLIC TODAY

(Special Service to Glendale Evening News)

WASHINGTON, June 20.—Acting Secretary of State Polk has received a message saying that the revised peace treaty will be published today.

WASHINGTON, June 20.—It is understood the treaty is to be published tonight in Paris and London. No copies have been received at the State Department here. Acting Secretary Polk has cabled to Paris for more information because the revised text has not been received by him.

DECLARES TERMS UNBEARABLE

GERMAN GOVERNMENT ISSUES STATEMENT THAT ITS ATTITUDE IS UNCHANGED

(Special Service to Glendale Evening News)

BERLIN, June 20.—An official government statement issued today said "The government's attitude after reading the full text of the Allies' reply to Germany's counter proposals, is unchanged. The terms are unbearable and cannot be fulfilled."

Significance is attached to the fact that the statement did not say "unacceptable."

RUMORS OF GERMAN ACCEPTANCE OF TREATY

PARIS DISPATCH ANNOUNCES IT, BUT THE NEWS IS NOT CONFIRMED

(Special Service to Glendale Evening News)

LONDON, June 20.—An Exchange Telegraph Paris dispatch received today declared the Germans had accepted the peace treaty, but the news was not unconfirmed.

BIGGEST CASE IN NATION'S HISTORY

TWELVE HUNDRED RESIDENTS OF BISBEE TO BE ARRESTED AS OUTGROWTH OF 1917 DEPORTATIONS

(Special Service to Glendale Evening News)

PHOENIX, Ariz., June 20.—The Arizona Labor Journal today announced that County Attorney R. N. French of Cochise county had prepared warrants for the arrest of twelve hundred residents of Bisbee on the charge of kidnaping as the outgrowth of the so-called "Bisbee deportations" of July, 1917. The list of defendants is to be kept secret until the warrants are served. It will be the largest criminal prosecution from the standpoint of numbers in the nation's history. The list includes ten per cent. of Bisbee's population and nearly half the number are the heads of families there.

The Bisbee deportations followed a strike of copper miners. Eleven hundred and eighty-three alleged agitators, strikers and sympathizers were deported.

YELLOW PERIL AGITATES SENATOR PHELAN

BEFORE IMMIGRATION COMMITTEE DEMANDS THAT JAPANESE IMMIGRATION BE BARRED FOREVER

(Special Service to Glendale Evening News)

WASHINGTON, June 20.—Senator Phelan, at a hearing before the House Immigration Committee, today demanded legislation forever barring Japanese immigration. He declared that America must prepare for "war on the Pacific" and appealed to Congress to save western states from economic death at the hands of the "sons of the east."

LAST ASSEMBLY

GOLD AND BRONZE HONOR PINS ARE BESTOWED UPON STUDENTS OF GLENDALE HIGH

The final assembly at Glendale Union High School took place this morning at 9 o'clock when the last announcements were made and the odds and ends of school affairs were disposed of. Today the copies of the Stylus are being distributed and today the honor pins for excellence in their four-year course have been bestowed upon graduates who have earned them. Bronze pins for the Senior year's work were also given out, and the gold "Activity Pins." These last represent unselfish service in the interest of the school, the kind of service which has not won the applause bestowed upon students who have been in the limelight for one reason or another.

The gold pins received by the graduates represent an average for the four years of 92 per cent. and above. Deserving students to whom they were given were: Frank Balthis, Dean Bryant, Rhuark Dudley, Hollis Moyse, Philip Wernette, Helen Berg, Cora L. Butterfield, Marian Gower, Eleanor Gregg, Alice Green, Frances Green, Bernice Haun, Bessie Jeter, Cecilia Lyon, A. Louise McClement, Lois Murphy, Marcella Miller, Gladys Nofziger, Martha Ray, Geneva Martin and Olive Taylor.

Bronze pins for the senior year went to: Fred Dodge, Mary Lamotte, Elizabeth Mottern, Mabel Munyon, Lucile Negley and Dorothy Cookson.

Three gold activity pins were given out, viz., to Elizabeth Mottern for musical service, to Cecilia Lyon for art work on the Stylus, and to John Bender for service as stage electrician.

Preceding the presentation of pins was an entertainment of a miscellaneous character and a business session at which the adoption of a new constitution for the student body was considered. At the close of the assembly students separated to go to their class rooms and receive cards showing their credits for the year.

GRADUATION PRESENT THAT WAS HIGHLY APPRECIATED

All the members of the '19 graduating class were given many and valued presents, but none of these compared in worth with one received by Harold H. Crane from his parents in Clear Lake, Iowa, which was in the shape of a telegram reading as follows:

"We send our congratulations on this your graduation day. Wish that we might be with you and attend Commencement exercises, but as we cannot will be with you in our thoughts. It is a great satisfaction that you have finished High School and plan to take up college work. Father and Mother."

Harold will work in the Bank of Glendale this summer, and enter Pomona College in the fall. He took the first year's course in the Glendale High School, then two years in Clear Lake, Iowa, High School, but he preferred Glendale so much that he was allowed to come out here and stay with his grandparents, J. K. Hill and wife, of 420 North Kenwood, to finish his work.

FRANCES JACKSON INJURED

Miss Frances Jackson, teacher in the Intermediate School, had a serious mishap Tuesday evening. She and Miss Midcalf were chaperoning a party of boys and girls on a picnic up in the wash and she was playing games with them when she stepped into a sand hole and so seriously wrenched her knee-cap that she is crippled. The surgeons tell her it will have to remain in a plaster cast for three months. She is getting about on crutches and attending to her school work, and says she will have her summer school at the Intermediate just as she planned.

FOR CHILDREN OF FRANCE

Mrs. Nanno Woods is in receipt of a letter from George Fusenot, treasurer of the Fatherless Children of France fund, acknowledging returns from tags sold in Glendale for the cause amounting to $869.75. He expresses his gratitude to the children and teachers of the local schools for their faithful work and co-operation, as well as to other organizations and individual workers.

COLUMBUS AVENUE PICNIC

Pupils of Columbus Avenue School will enjoy a picnic at Brookside Park Saturday. L. T. Rowley will convey them in the Red Cross truck, and they will be chaperoned by teachers and by members of the Parent-Teacher Association of that school.

H. S. COMMENCEMENT

NINETY-THREE GRADUATES PARTICIPATE IN EXERCISES AND RECEIVE DIPLOMAS

Automobiles solidly parked on both sides of Brand boulevard the full length of the block and a magnificent audience which filled every seat and available standing place at the Palace Grand Theatre, Thursday evening, eloquently testified to interest in the graduation from Glendale Union High School of the class of 1919. As the ninety-three young people made their prettily spectacular entry, advancing from the foyer to the stage to the strains of the processional played by the High School orchestra, they were good to look upon—products of which any school or community might with reason be proud. Very attractive were the girls in their handsome white graduation gowns relieved by the bouquets of red rosebuds they carried. The boys were a fine, manly bunch, worthy to share honors with the girls.

While it was not possible for many to take part, it was a great satisfaction to the audience to know that the majority of the numbers on the program were by members of the class. It includes considerable musical talent and it was also a satisfaction to realize that the talent had been developed in the music department of the school. No number was crude. Each deserved the warm applause it received. Noticeably true was this of the artistic singing of Marion Addison of "Through a Primrose Dell" by Gilbert Spross and "Flower Rain" by Edwin Schneider.

The vocal assignments of Elizabeth Mottern excited special interest from the fact that one, "Bluebells," was her own composition, a charming song and a contrast to the dainty "Twilight" composed by Catherine Glenn.

The contributions of the trio: Lois Murphy, violinist; Hollis Moyse, cellist, and Frank Lanterman, pianist, who played McDowell's "To a Wild Rose," and Edward Schuett's "A La Bien Aimee," were also very satisfactory; while the Verdi March from "Aida," played by the orchestra as a recessional, pleased the audience as much as the "Hail America," with which the exercises began.

Irene Ward and Ivy Mills wrote the class will, read by Gladys Goddard. It was rivaled in its cleverness and sly hits only by the class prophecy, written and read by Miss Ward. Both amused the audience even more than they did the class members, who endeavored to preserve a rigid decorum.

Next in interest to the bestowal of the diplomas was the presentation of a gift from the class to the school. This agreeable duty fell to Fred Dodge, class president, who, without unnecessary circumlocution, explained the difficulties of finding a present of worth and value to serve as a memorial and how happy he and his fellow students were to solve their problem by selecting two handsome silver cups to be bestowed upon the winner in the annual oratorical contest and upon the class awarded first honors for its booth on that occasion, the names of the contestant and of the class to be engraved upon the cups which are to be a permanent exhibit at the school.

On behalf of the school, Principal Moyse received the cups, expressing appreciation and approval of the wise choice of a gift.

The favorable impression made by Dr. Silas Evans, president of Occidental College when he last spoke before

(Continued on Page 4)

ACCIDENT DISABLES FOR MANY WEEKS

Wm. Prendeville of 324 South Adams has been the victim of an unusual combination of circumstances this year. Several months ago he fell from a scaffold while working as a plasterer, and broke one ankle. He expected to be at work again in three weeks, but the bones did not knit rightly and for 10 weeks he was unable to work. He can now do lathing, but not plastering and his ankle still troubles him greatly, requiring frequent treatments.

LITERARY WORK LURES HER

Miss Dorothy Webster of 208 West Elk avenue is now an assistant in the office of Miss Emily Squier, the talented young Glendale girl who not only is associate editor of the big hotel magazine published by the Linnard syndicate, but supplies considerable matter to other publications. Miss Webster recently reported a big society wedding in Pasadena for the hotel magazine. She intends to devote her time and talents exclusively to magazine and newspaper work.

GLENDALE, CALIFORNIA, FRIDAY, JUNE 20, 1919

TRUSTEES' MEETING

(Continued from Page 1)

to the sale of a small house situated on lot 2 of the Edmonds subdivision of the City of Glendale, acquired by the city under the proceedings for the opening and widening of Sycamore Canyon Road, to W. J. Broad for the sum of one hundred dollars ($100.00). On motion of Trustee Henry, the action of the city manager was approved and it was ordered that Mr. Broad be furnished a bill of sale for the same if he desires it.

The manager also filed a report stating that the city had acquired through the opening and widening of Sycamore Canyon Road a five-room cottage on Stanley avenue east of Adams street. Also, that the city owns a lot on California Ave. east of Verdugo Road, with some old pumping machinery on the same which is only good for junk. Communication recommended the sale of these properties. On motion of Trustee Shaw the city clerk was instructed to advertise in the Glendale Evening News for bids for the house, lot, and machinery, to be opened at 8 o'clock p. m., July 3, 1919.

Report was read from the city manager accompanied by copy of a letter addressed to R. M. Wallitz of the Glendale & Montrose Ry. Co. by E. C. Johnson, chief engineer of the Pacific Electric Co., in reference to the special work to be installed by the Glendale & Montrose Co. at the northwest corner of Broadway and Glendale avenue, Glendale. The letter stated that the completion of the turn-out would require two or three weeks' time, and, on motion of Trustee Henry, the time of the railroad company for completing this work was ordered to be extended thirty days from date.

The city manager had prepared an ordinance regulating the starting of fires outside of buildings, which was discussed at some length.

The ordinance prepared by the city manager regulating the starting of fires was presented by Trustee Woodberry and laid over until the next regular meeting.

The city manager presented three bills for assessments against certain lots owned by the city in the Max Muir Tract. No action.

An ordinance establishing the grade on a portion of Sycamore Canyon Road, presented at the last regular meeting of the Board was taken up and on motion of Trustee Henry adopted as Ordinance No. 353.

The city clerk asked for action of the Board fixing the remuneration to be paid the officers of the election of June 17, 1919, and also the amount of rental for polling places. On motion of Trustee Henry it was ordered that each of the said election officers be paid the sum of $4.50 for all services rendered.

On motion of Trustee Jackson, it was ordered that the rental for polling places used on June 17, 1919, be fixed at $5.00.

Personals

Miss Ellen Hanson, head of the Domestic Science Department of G. U. H., will leave next week for her home in Marquette, Kansas.

Miss Florence Loomis leaves next week for a trip to Alaska and on her return will go to New York, which she considers her home state.

J. E. Peters and family are now settled in their new home at 209 N. Orange. They moved from 400 West Colorado.

Mr. Fullen, supervisor of penmanship in the Glendale schools, goes with his family to Long Beach to spend the summer and will return in the fall when school opens.

Mrs. Martin L. Weaver is in receipt of some very attractive pictures of her grandchild, the daughter of Mrs. Elsie Weaver, who is now in Syracuse, New York. The little girl was a year old June 12th.

W. L. Truitt of 310 North Cedar, who handles used cars exclusively in Los Angeles, says that there is a ready market for all the machines he can get, and that prices are constantly advancing.

Mr. and Mrs. M. P. Harrison and their daughter and son-in-law, Mr. and Mrs. Lenox, of Van Nuys, motored to Brookside Park last night to enjoy a picnic supper.

Mrs. J. I. Wernette is rejoicing in a fine new music stand, made for her by her son, Eugene Wernette, who is a student in the Sloyd Department of the Intermediate School.

Misses Dorothy and Evelyn Shaw, daughters of Mr. and Mrs. Hartley Shaw, today go to Claremont to visit relatives and enjoy the festivities of Commencement week at Pomona College.

Mr. and Mrs. A. M. Beamon and son, Charles, of 203 North Maryland also Charles and Gertrude DuBois, a niece and nephew, leave tomorrow for Mammoth Lakes, for a two weeks' vacation.

Marjorie Tyler, daughter of Mr. and Mrs. Louis Sipple of 1239 East Harvard street, left Monday night en route to New York City. Miss Tyler will spend several months in her home town, Roscoe, N. Y., returning to Glendale in the early fall.

Mrs. John Camphouse, a former resident of this city, who has been in Yuma for some time, returned last week and has been the guest of her sister, Mrs. Lawrence, but is now in Long Beach. She will probably make frequent visits to Glendale this summer.

GLENDALE 70

Mr. and Mrs. C. H. DuBois of Long Beach have been spending a part of this week with their daughter, Mrs. A. M. Beamon, of 203 North Maryland.

Miss Beth Byrkit, daughter of Mr. and Mrs. C. E. Byrkit of 220 N. Belmont St., has returned home after her year's work in Corona, where she has been teaching. She is planning to attend U. S. C. next year.

Mrs. W. W. McElroy is in receipt of a postal card from Mrs. T. W. Preston announcing the safe arrival of her party in the Yosemite where they are having a very nice time. She reports that people are standing in line to get accommodations at Curry's Camp.

John D. Cole of 501 North Louise, who works for the Examiner, is taking his two weeks' vacation now, so, with his wife and Darrell, went to Redondo Beach today for an outing. Rev. Clifford Cole and family went with them to spend today only.

Miss Winnie Sturgess of 118 South Kenwood street, a stenographer in the offices of the Pacific Union Conference, this city, is now at Loma Linda, where she recently underwent an operation for appendicitis. She is under the care of her sister, who is a nurse there and who reports that she is doing nicely.

Red Cross bulletins state that 40 carloads of American Red Cross supplies, consisting of food, clothing, medicines and hospital equipment, for the relief of Russian prisoners in Germany, recently left Paris for Berlin, being the longest train that has passed through the shell-torn regions of Northern France and Belgium.

F. P. Wilkin, former proprietor of the Bungalow Grocery at 131 S. Central avenue, has moved into a part of the Ketterling residence at 204 West Colorado. He recently purchased Riley Proctor's property at 500 North Louise and as soon as it is vacated by V. M. Hollister, who expects to get into the new home he is building, right next to it, early in July, he will have it repainted, and will build a double garage, then occupy the property himself.

Mrs. F. A. Field of 209 North Kenwood has been advised by her sister in Berkeley that her nephew, Ralph Goodsill, who entered army service two years ago and who has had strenuous experience in the battle zone in France, reached Richmond, Va., within the week and is expected in California very soon. His brother, Frederick Goodsill, who was in Army Y. M. C. A. work at Vladivostok, Siberia, and in Europe, got home a few weeks ago.

Mr. and Mrs. H. L. Brown of 1120 San Fernando Road entertained during the past week at an all-day affair, members of the Palestine Chapter of the Eastern Star, fifty being present at luncheon and one hundred at a six o'clock dinner. Mrs. Brown is a charming hostess and her friends always respond to her invitations. Her daughter, Miss Enid Deeds, has returned to her home after a month's visit with her great uncle, E. W. Shuler, of San Dimas, who has just sold his foothill ranch for $75,000. Mrs. Brown, who is a favorite niece, is hoping to persuade him to come to Glendale to live.

Captain D. Ripley Jackson and L. T. Rowley motored to Uplands yesterday for the investigations they were commissioned by the Greater Glendale Development Association to make regarding the products of the Aluminum Honeycomb Manufacturing Company. Mr. Rowley is a practical and experienced bee man and therefore a very competent commissioner. He did not feel at liberty to make any detailed statement in advance of his report to the G. G. Development Association, but did say he was very favorably impressed by what he saw.

TRADE MARK

The City of GOODRICH Akron, Ohio

Goodrich's More Mileage Proclamation

BE it known to every automobile owner and driver in the United States-to Goodrich dealers-that GOODRICH SAFETY TREADS stand ready to deliver 6,000 miles, and SILVERTOWN CORDS 8,000 under proper use.

That is, every SAFETY TREAD in use and in a Goodrich dealer's store is underwritten to be adjusted at 6,000 miles and every SILVERTOWN CORD at 8,000 miles.

The new adjustment is based upon what Goodrich knows its tires will do, and Goodrich knows from miles and miles of road-testing that Goodrich tires are the strongest, the best the rubber industry has produced.

They are so good that Goodrich increases its adjustment mileage to show its patrons they cannot afford not to share in their matchless service and security.

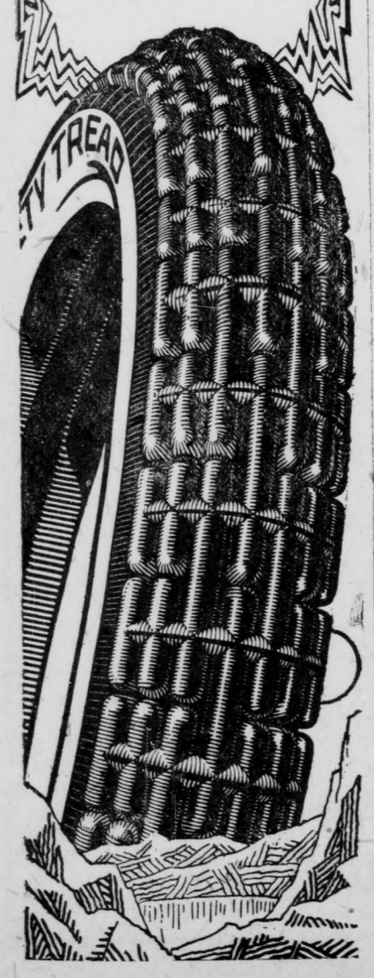
"BEST IN THE LONG RUN"



G. U. H. COMMENCEMENT

(Continued from Page 1)

the school, made it quite natural that he should be chosen as the orator of the evening for this occasion, and his informal, easy "conversation" as he called it, was in no respect disappointing. In developing his theme, "Shooting Stars or Fixed Stars," he endeavored to make the young people he was addressing realize the importance of knowing and yielding obedience to law rather than trusting to luck, and showed how even the gambler does not depend upon luck, but upon fundamental laws which underlie games of chance and even such hazardous business as insurance. Said he:

"We want to feel that these young people who are going out in the midst of a revolution of empires and the turmoil of political and social conditions are going to guide their lives by the fixed stars of science and morals and religion and all of the great fundamental, well-tried facts of life, and not by the shooting stars of their own caprice." By precept and illustration he showed that the man who trusts to luck instead of to intelligent work never gets anywhere. He exhorted the boys and girls to play the game of life according to the laws of the game and to stay with it, and not to be quitters. He declared that what America needs is men who will live by he sweat of their brains as well as the sweat of their brow and really contribute something to their day and generation.

In presenting the class to the High School Trustees represented by Hartley Shaw, Principal Moyse referred to the hard conditions under which the past year's work has been carried on and commended the class for having made good under trying circumstances. He then addressed the audience asking it to consider the needs of the High School, saying:

"There is no auditorium in Glendale anywhere near large enough to accommodate the people who would gladly be here tonight. We have in our present school auditorium space for 550 people. We have an enrollment this year of 777 and an average attendance that will more than fill the seating capacity. Ninety-three are leaving us tonight and from the information we have received some 200 will come in as freshmen in September, to say nothing of those from outside schools who will come to us. Our accommodations this year have not been sufficient to enable us to do our work as we should do it. Before we meet again on an occasion like this we shall have to ask you again to do something for the welfare of our children in giving them the accommodations they require for their work."

In accepting the class on behalf of the trustees and undertaking the responsibility of presenting the diplomas, Mr. Shaw said: "The diploma is of little value except as a symbol. It stands for difficulties overcome, for days and nights of study, for contests among yourselves and with other schools. It stands for the part you have taken in the school activities. This occasion is not alone of importance to you, but is of importance to your school and your community. The high school is a factory for training the brain, the body, the soul. You are its product and upon you rests the honor of the school. We will watch your career with interest, trusting that you will justify our faith in you."

Diplomas were then presented to the following graduates:

TUJUNGA

The Goat Show held in Los Angeles last Saturday brought out a large number of fine goats from all over the county of every known kind. There was hardly as large an attendance as was hoped for, the show being given for the purpose of bringing before the people what wonderful animals they are and the large amount of good, pure milk that can be obtained at a small expense. Miss Emma Kraft of Tujunga was successful in carrying off five prizes on her Nubian stock. Dryad took the first prize for milk yield, nine pounds and two ounces in twenty-four hours, the test being made after she had passed her best period, by Mr. Winans, a specialist in this work. Prize, a gold medal. Dryad also received a special prize, a silver mounted collar, given by the International Nubian Society for the best pure bred Nubian making the highest score, after her first kidding. Felise received second in her class as a pure Nubian doe kid, silver medal. Wanda received first in her class, also the Junior championship, gold medal, also a silver medal. Telka, fourth, as a doe kid, prize $10. Mojinsky, second, as a buck under one year, a silver medal. The fourth prize of a Nubian grade kid given by Miss Kraft for the best grade kid, fell to Miss White of La Crescenta. As a whole the show was a success, and everyone well pleased with the judges' scoring.

Mr. and Mrs. McCue attended the Goat Show on Saturday and purchased a fine doe.

Miss Gysberg, who has been caring for Mrs. Stromberg, was called to Wisconsin on Wednesday on account of the serious illness of her brother.

NOTICE OF FORECLOSURE SALE

SHERIFF'S SALE, No. 371464.

Order of Sale and Decree of Foreclosure and Sale

C. M. Gehrkens, Plaintiff, vs. National Surety Company, a corporation, John F. Klann, Annie Klann, husband and wife, Ira B. Hinds, et al., Defendants.

Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the County of Los Angeles, of the State of California, on the 27th day of May, A. D. 1919, in the above entitled action, wherein C. M. Gehrkens, the above named plaintiff, obtained a judgment and decree of foreclosure and sale against National Surety Company, a corporation, et al., defendants, on the 5th day of April A. D. 1919, for the sum of nineteen hundred forty-two and 25-100 ($1942.25) dollars gold coin of the United States, which said decree was, on the 16th day of May A. D. 1919, recorded in Judgment Book 490 of said Court, at page 357, I am commanded to sell all that certain lot, piece or parcel of land situate, lying and being in the County of Los Angeles, State of California, and bounded and described as follows:

Lot one hundred thirty-one (131) in tract number one thousand four hundred forty-eight (1448) as per map recorded in book eighteen (18) pages one hundred sixty-two and one hundred sixty-three (162 and 163) of maps records of said county.

Public Notice Is Hereby Given, That, on Monday, the 30th day of June, A. D. 1919, at 12 o'clock, M. of that day, in front of the Court House door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or so much thereof as may be necessary to satisfy said judgment, with interests and costs, etc., to the highest and best bidder, for cash gold coin of the United States.

Dated this 5th day of June, 1919.

JNO. C. CLINE,
Sheriff of Los Angeles County.
By W. T. Osterholt,
Deputy Sheriff.
C. Franklin Baxter,
Plaintiff's Attorney.
